

## STATE LICENSE

**21.10.1994**

**GSL No.000021**

**Issued to** **Joint-Stock Company “Montazhspetsstroy”**  
#291-291a Tole bi str., Auezov district, Almaty, Republic of  
Kazakhstan, BIN: 940640000066  
(full name, location, legal entity business identification number details / full  
surname, name, middle name, physical person individual identification number  
details)

**for performance  
of** **Design activity**  
(name of concrete licensing type of activity in accordance with RoK Law “On  
Licensing”)

**Special  
conditions of  
license validity** **I category**  
(in accordance with Article 9-1 of RoK Law “On Licensing”)

**Licenser** **Agency for Construction, Housing and Utilities of the  
Republic of Kazakhstan**  
(licenser full name)

**Head  
(authorized  
person)** **SERIK K. NOKIN**  
(Head (authorized person) licenser name and surname)

**Place of issue** **Astana**

## APPENDIX TO THE STATE LICENSE

**License No** GSL No.000021

**License series**

**Date of license issue** 21.10.1994

**Subtype(s) of licensing type of activity**

(sub-type name of licensing type of activity in accordance with RoK Law "On Licensing")

- I category

- Utilities and systems design, including:

- Internal and external electric lighting systems, electric power supply till 0,4 kV and till 10kV
  - Electric power supply till 35 kV, till 110 kV and above
  - Low current devices internal systems (telephone system, fire and security alarm), and also their external networks
  - Internal heating systems (including electric), ventilation, air conditioning, cold supply, gasification (low pressure gas supply), and also their internal networks with additional facilities
  - Internal water supply system (cold and hot water), sewage and also their external networks with additional facilities
- Construction design (with right of design for full repair and (or) reconstruction of buildings and facilities, and also structural reinforcement for each of below-mentioned works) and design engineering of, including:
- Metal (steel, aluminum and their alloys) structures
  - Concrete and reinforced concrete, masonry and reinforced masonry structures
  - Bases and foundations

**Production base** (location)

**Licensed party** Joint-Stock Company "Montazhspetsstroy"

#291-291a Tole bi str., Auezov district, Almaty, Republic of Kazakhstan, BIN: 940640000066

(full name, location, legal entity BIN details / full surname, name, middle name (if available), physical person individual identification number details)

**Licenser** Agency for Construction, Housing and Utilities of the Republic of Kazakhstan

(licenser full name)

**Head (authorized person)** SERIK K. NOKIN  
(Head (authorized person) licenser name and surname)

**Number of Appendix to the License**

**License validity**

**Place of issue** **Astana**

**APPENDIX TO THE STATE LICENSE**

**License No** **GSL No.000021**

**Date of license issue** **21.10.1994**

**Subtype(s) of licensing type of activity**

- Process design (development of construction project processing part) of industrial-purpose facilities, including:

- Structures of tower and mast type
- For energetic industry
- Foundation installation

-Process design (development of construction project processing part) of infrastructure, transport, network and communication facilities, including maintenance of:

- Local lines of network, radio-, telecommunications

-Process design (development of transport construction project processing part), including:

- Highways of all types
- Urban design (with right of design for historic development district urban rehabilitation, except scientific-restoration works on history and culture monuments) and planning, including development of:
  - Gas supply schemes of settlements and production complexes located on inter-settlement areas
  - Electric power supply schemes of settlements with location of facilities for production and transportation of electric energy in system of construction and also electric power supply of production complexes located on inter-settlement areas
  - Sewage system schemes of settlements and production complexes, including centralized system of collection and discharge of sanitary, production and storm effluents, location of head cleaning facilities, evaporators and facilities for effluent regeneration
  - Heat supply schemes of settlements with location of facilities for production and transportation of electric energy in system of construction and also heat supply of production complexes located on inter-settlement areas
  - Water supply system schemes of settlements with location of potable and(or) technical water sources and routing of water conduits, and also water supply schemes of production complexes located on inter-settlement areas

-Architectural engineering for buildings and facilities of the first or second and third levels of responsibility (with right of design for architectural and restoration works, except scientific-restoration works on history and culture monuments), including:

- Facilities General Arrangements, area engineering preparation, improvement and grading

-Engineering system and network design, including:

- Main oil pipelines, oil product pipelines, gas pipelines (medium and high pressure gas supply)

**Licensed party** **Joint-Stock Company "Montazhspetsstroy"**

#291-291a Tole bi str., Auezov district, Almaty, Republic of  
Kazakhstan, BIN: 94064000066  
(full name, location, legal entity business-identification number details)
